CMF PRIVACY POLICY

The CMF takes the privacy of your information seriously. We have a privacy policy which is available on our website or on request from the office.

We want to communicate with Members in a way which has their consent, and which is in-line with UK law on data protection.

As a result of GDPR, we now need your consent to contact you. Where you do not grant consent, we will not be able to use your personal data to contact you about membership or our services.

You can find out more about how we use your data from our "Privacy Policy" which is available from our website, www.castmetalsfederation.com or from the CMF office.

You can withdraw or change your consent at any time by contacting the office on admin@cmfed.co.uk

Please note that all processing of your data will cease once you have withdrawn consent, other than where this is required by law, but this will not affect any personal data that has already been processed prior to this point.
